INDIANA UTILITY
REGULATORY COMMISSION

You are hereby notified that on this date the Indiana Utility Regulatory Commission has caused the following entry to be made:

On April 14, 2003, Applicant Utility Center, Inc, d/b/a AquaSource ("Utility Center") and the Allen County Regional Water and Sewer District ("the Sewer District") filed with the Commission their "Stipulation," which appears in the following words and figures, to-wit:

[H.I.]

In their Stipulation, the two parties set forth their agreement that the Verified Application of Utility Center be amended to delete certain areas described in the Stipulation. The presiding officers note that the Stipulation is not signed by the OUCC or Intervenor City of Fort Wayne. Nevertheless, in the absence of any objection, the presiding officers now determine that the Stipulation should be approved and the CTA expansion being sought by Utility Center should be modified accordingly.

On April 15, 2003, the Office of Utility Consumer Counselor filed with the Commission its "Motion for Modification of Procedural Schedule," which appears in the following words and figures, to-wit:

[H.I.]

On April 24, 2003, the City of Fort Wayne filed with the Commission its "Motion for Extension of Time to File Testimony and Evidence," which appears in the following words and figures, to-wit:

[H.I.]

On April 24, 2003, Utility Center filed with the Commission its "Response in Opposition to Intervenor City of Fort Wayne's Request for an Enlargement of Time Within Which to File its Case-In-Chief," which appears in the following words and figures, to-wit:

[H.I.]

Finally, on April 24, 2003, the City of Fort Wayne filed with the Commission its "Response to Utility Center's Response to Fort Wayne's Motion for Extension of Time to File Testimony and Evidence," which appears in the following words and figures, to-wit:

[H.I.]

Upon considering the parties' various proposals and objections, the presiding officers now determine that the following procedural schedule will apply to this Cause:

1. The OUCC and all Intervenors should prefile their respective cases-in-chief on or before May 9, 2003;
2. Utility Center should prefile its prepared rebuttal testimony on or before May 26, 2003; and
3. The evidentiary hearing previously scheduled for May 13, 2003 should be continued to June 4, 2003 beginning at 9:30 a.m. in Room E-306 of the Commission's offices.

IT IS SO ORDERED.

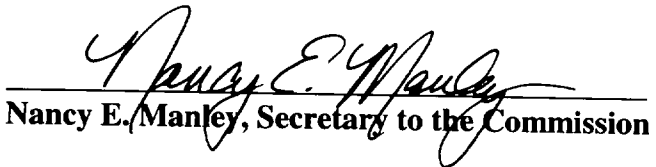

David E. Ziegner, Commissioner

Gregory S. Colton, Administrative Law Judge
